

2021 ANNUAL REPORT

2021 was a year of emergence for the Art Base. The organization celebrated its 25th Anniversary by moving into its first permanent home. The new gallery opened in May to a record number of visitors, and educational offerings doubled when the three classrooms opened in October. The Art Base team and board of directors are grateful for the growing community support and participation. All that was accomplished in 2021 is celebrated here in numbers.

"The After School Art Base program has been incredible for our family. With 2 art-loving kids and 2 working parents, having this as a resource has been truly invaluable. The art that my girls bring home is outstanding and we proudly display throughout the house!"
